

SKIN SPECTRUM SUMMIT

The Canadian Conference on Ethnodermatology

THURSDAY OCTOBER 1, 2020, SATURDAY OCTOBER 3, 2020 AND TUESDAY OCTOBER 6, 2020
VIRTUAL ONLINE PROGRAM

LEARNING OBJECTIVES

At the conclusion of the activity, participants will:

- Have learned about the different skin conditions in Canada's ethnic populations, including the manifestations of common dermatologic problems for persons with skin of colour
- Be able to improve their diagnostic practices of different skin conditions in this growing ethnic population
- Have learned strategies and tools to better manage patients with skin of colour including potential unique challenges that they may face in their treatment

CERTIFIED CREDITS

This one-credit-per hour Group Learning program has been certified by the College of Family Physicians of Canada and the Ontario Chapter for up to 4.75 Mainpro+ credits.

SPONSORSHIP AND IN-KIND SUPPORT

This program is supported in part by educational grants from AbbVie, Alto Pharma, Bausch Health, Dermtek Pharma, ERFA, L'Oreal, P&G, Pfizer and Sanofi-Genzyme.

This program has received in-kind support from the Black Medical Student Association of Canada, Canadian Skin Patient Alliance, NSWOC (Nurses Specializing in Wound, Ostomy and Continence) Canada, Nurse Practitioner's Association of Ontario, Primary Care Dermatology Society of Canada, Sun and Skin Awareness Program at UofT, UofT Black Student's Medical Association, UofT Dermatology Interest Group, uOttawa Dermatology Interest Group, and Wounds Canada in the form of logistical support.

Skin Spectrum Summit 2020 is organized by *The Chronicle of Skin & Allergy*, *The Chronicle of Cosmetic Medicine + Surgery*, *Journal of Ethnodermatology*, www.derm.city and the Canadian Ethnodermatology Special Interest Group.
